[Kyle Naluan] | [Computer Science Major]

[Kansas City, MO] | [816-877-2038] | [kylenaluan@gmail.com] | [LinkedIn – Kyle Naluan]

Objective

[Hard working computer science student seeking to grow through experience and use my skills to lend a hand at your organization.]

Skills & Abilities

[I am consistent with getting tasks done on time, no matter how arduous they may be. I can also pick up and get a fluent understanding of new concepts quickly.]

[I am proficient with computers and technology, in terms of both hardware and software.]

[I have experience in software development, web development, game development, graphic design, and editing.]

I have experience with the following programming languages and software:

Programming Languages:
- C++
- C#
- Python
- Java
- Java Script

Web Development:
- HTML
- CSS

Game Development:
- Unity
- Blender

Graphic Design/Video Editing:
- Adobe Photoshop
- Adobe Illustrator
- Adobe Premiere Pro
- Adobe After Effects

Work Experience

[Employee] — [Jimmy John's]   [6/12/20] — [8/15/22]

[At Jimmy John's, my tasks primarily included preparing food, cleaning
the store, and handling customer interactions.]

Education

[Park Hill High School] — [Kansas City]   [2018] — [2022]

[I graduated high school with a 4.31 GPA, while also scoring a 35 on the ACT. I
earned a couple awards, such as being a National Merit Commended Student
and earning the AP Scholar with Distinction Award in 2021 and 2022.]

[University of Missouri-Kansas City] — [Computer Science, B.S., Kansas City]   [2022] — [Present]

[I am a junior undergraduate student with a 4.0 GPA. I am majoring in
Computer Science with a focus in software development, and I have made
the Dean's list every semester that I have attended UMKC.]

Communication

[I am a very open-minded person that is willing to take and give honest
feedback. I am an active listener and am patient when it comes to
communicating with my peers. I can work well with almost any group I am
placed in. I am also a reliable communicator. I check and respond to my
emails frequently throughout the day and I am familiar with a variety of
communication services.]
